Coming Events and Soaring Competitions.

May 2020 – June 2020

- All meetings are cancelled until further notice.
- The field is closed until further notice.
- All events for the next 60 days are cancelled.
- Events planned for after June 1, 2020, are postponed.

Steering Committee and General Meetings

There have been no General or Steering Committee meetings. Nothing to report.

Field Conditions

On April 3, John Rittenhouse visited the field and took the following photos. John's comments follow.

I've been stopping by the field every 4-5 days to keep an eye on its status. The weeds will be a chore to mow. Actually, it might be easier than two weeks ago during the peak of the rains. The growth has been dying off the past week. The Kiosk has been holding up pretty well. Interestingly all our club flyers are gone, as are most of the City notices posted on the North side of the Kiosk.

I've checked the breakers, most are open. I wonder if it isn't a good idea to shut the two master switches... What do you think? Also, maybe I should turn the power off, charging the winch batteries (or charge a different battery).

Henry Smith replied as follows:

We will see what the biologist says about mowing. My idea was to mow quite long. Keep the weeds down but make it difficult to fly anything.

Next time you are at the field please shut off the power in the Kiosk. The switches are inside the power box. This will leave the power on in the container which is OK. Ask Irv or Ross or Bruce about power in the container.

Comments on Imaginology

Joni Whitsitt received the following very pleasant E-mail from Christine Gunst who manages the Imaginology event at the Orange County Fairgrounds.

Dear Imaginology Feature Exhibitors and Demonstrators,

It's so strange and unsettling to be sitting here working from home when we would normally be ramping up for Imaginology, our 41st annual free educational youth event, formally Youth Expo. The weather is beautiful, tents and booths would be up by now and load-in would start tomorrow. I'm thinking of you and missing you at this time. We want to thank you and express our appreciation for supporting Imaginology - your participation is a big part of what makes it so great! Please share my thoughts with your staff.

I look forward to seeing you at the 2021 Imaginology! Imaginology will be back better than ever and so will all of us!

Until then, stay healthy and strong!

Christine Gunst
OC Fair & Event Center

Member Activity During the Forced Vacation

An E-mail was sent out to all HSS members inviting them to give a brief discourse on what they have been working on during the forced incarceration due to the Corona virus pandemic. Here are some of the replies.

Jim Hanson:

This is what I have been doing to occupy myself for the last several weeks. Some of the videos are recent and some are a few years old. Over the years I have owned and flown several quad copters AKA drones, sUAS (small Unmanned Airborne Systems). I have flown all of them in a safe manner and not one of them has been lost or crashed. The latest videos have been taken using a Mavic 2 pro with a high end 4k camera. I am in good health and I have found several places I can fly my Camera drone while in complete isolation. Check out the videos and enjoy! <https://www.youtube.com/channel/UCTymqDQr2hQ9zIFkgaAnaZA>

Sincerely Jim Hanson

Henry Smith III

Here is a photo. The airplane is from around 8 years ago. Haven't flown it in many a moon. Now operational and flying around in the street by our house.

Member Activity During the Forced Vacation (Continued)**Rob Askegaard:**

I have two planes still in their boxes ready to be built, Neither of them are foam - can you believe it? The orange and black one is a Seniorita Kadet and the silver one is a scale Ryan STA. You can see all the other planes in the picture that need to be repaired. I have plenty to do!!

**HSS Membership – Renew now if you haven't.**

Our 2020 HSS membership enrollment season is starting up. Note that the new membership rate of \$25 per year is now in effect. PayPal will no longer be accepted as the cost and inconvenience did not justify the service. The latest membership application, dated 2020, is included in the last pages of this newsletter. These can be mailed to our post office box shown on the last page, or given to a club officer. Alternately, HSS and AMA membership applications can be obtained from any club officer, or available on our club web site at www.harborsoaringsociety.org. Applicants must be members of the AMA prior to joining HSS. AMA Membership applications can also be obtained at the AMA web site www.modelaircraft.org, download document No. 902 from the publications page. Or you can apply on line. If you renew your AMA membership online, be sure to print the receipt that they provide as proof that you joined. And, don't forget your City of Costa Mesa Flying Permit. Details are shown on page 15 of this newsletter.

Airplane Humor

At a packed airport ticket counter all ticket agents were doing their best to politely process each passenger as quickly as they could. A man toward the end of the snaking line of passengers was obviously impatient and very frustrated at having to wait so long.

He finally decided to march right up to the counter, pulling his wheeled suitcase, and demanded that he be given his boarding pass. The ticket agent turned, looked at him, blinked, took a shallow, deep breath and said, "Sir, as you can see there are many passengers ahead of you. We are doing our best to process the passengers as fast as we can. I'm afraid you'll have to get back in line."

Outraged and red in the face, the man yelled at the ticket agent saying, "Do you know who I am ?????!!!"

The ticket agent turned, looked at him, blinked, took another shallow, deep breath, picked up the microphone and said calmly, "There is a man at the ticket counter who does not know who he is. Anyone who knows him please help us."

The man quietly returned to the back of the line.

Calendar of Events

Thanks to John Rittenhouse for the preparation of the following Calendar of Events. Note this has been updated since last published in March 2020. Some of the activities have not been cancelled yet, but are subject to cancellation at a moment's notice.

Repeating activities include:

- Monthly General Meetings - 7 to 9 PM on the first Tuesday of each month. Held at Round Table Pizza restaurant. 11095 Warner Ave. Costa Mesa. **Cancelled.**
- Monthly Steering Committee Meetings - 6 to 7 PM on the first Tuesday of each month. Held at Round Table Pizza restaurant. 11095 Warner Ave. Costa Mesa. Additional meetings to be planned as required. **Cancelled.**
- Flying field maintenance on an as-needed basis.
- Quarterly meetings with the Orange County Parks Department. Coordinated by Theresa Sears.

Singular events:

- September 2021 FAA agreement with HSS expires.

Annual Events:

- February Wix, website management and domain name re-registration payment due.
- March Network Solutions, website domain name re-registration payment due.
- March AMA charter and "Gold Leader Club" renewal.
- March Club must purchase "Certificate of Liability Insurance" from AMA.
- April Imaginology - This is a public service event held at the Orange County Fairgrounds. HSS provides booths containing static displays of model aircraft, build and fly paper gliders, and model flight simulators. **Cancelled.**
- June Southern California Soaring Clubs (SC-2) glider competition. HSS hosts local glider clubs, for one of the monthly events held throughout Southern California.*
- July Concerts at the Park - Three evenings on Tuesday nights in July at Fairview Park. Music is sponsored by the City of Costa Mesa. HSS supports this public service event with a pop-up sunshade, and static display of model aircraft.
- July Bent Wing Glider Competition. This event is open to all club members and guests.*
- August National Model Aviation Day. Open house, demonstrations, free flying lessons, and acquiring donations for charity.*
- August Dollar Foam Design/Build/Fly competition. Tentative schedule is Original designs are electric powered RC models made from a single sheet of paper backed 1/4" foam. Performance criteria to be determined.
- September Electric Fun Fly Competition. Tentative schedule is Multiple events are planned for club members and guests.
- October Pumpkin Festival/Scarecrow Competition. This is a public service activity for HSS. It is planned by the city, to be held at the Orange County Model Engineers railroad facility in Fairview Park.
- October Nominations made for new club officers.
- November New club officer election. General Meeting.
- December Christmas party and new club officer installation. Location to be determined.

* Note: Historical events are not currently scheduled, and are included for reference purposes only!

Scale Squadron Plans 14th War Birds and Scale Fly-In – Still Scheduled as of 29 April

ATTENTION SCALE MODELERS – PILOTS – FANS!!

14th Annual Warbirds and Classics Scale Fly-In

OCMA flying field (Irvine, CA) June 5-7, 2020

Registration & Event information: scalesquadron.com

Newly paved 600ft runway – Awards – Friday Night Early Bird Party - Saturday Night Banquet -On-Site Camping and more! Donations made to Semper Fi Fund

ENTRY FEE: \$40.00/Pilot (SCALE AIRCRAFT ONLY)

INCLUDES: 3 days of Flying, Friday pilot's pizza mixer, Saturday lunch (Famous Tacos) and Lunch Sunday, Free Camping available.
PRE-REGISTRATION - www.scalesquadron.com

Pilots – Don't Forget, there are a few requirements!

Current AMA Required! This is an AMA Sanctioned Event! - Parking is remote, there is NO PARKING next to the regular pit area! You must have a fire extinguisher in your pit area -If flying glow or gas, NO DRIPPING on the pit or runway surface!!!! You must catch/recycle fuel! NO SPILLS! - OCMA REQUIRES proper FAA registration marking on your plane.

CLUB MEETING 2ND MONDAY OF EVERY MONTH

MEETINGS 7PM - 17250 LOS JARDINES WEST, F.V., CA 92708

Next Meeting POSTPONEMENT

HSS meetings will be postponed until the existing government directives are recalled. At that time we will return to our normal schedule where we meet on the first Tuesday of each month at Round Table Pizza, 11095 Warner Ave. & Euclid (North-east corner) in Fountain Valley, at 7:00 PM. Phone number is (714) 839-0276. The Family Night rate is all-you can-eat pizza, plus one salad bar, for \$8.99. Fountain drinks are an additional \$1.59, self-service, or \$2.99 per liter. Beer and wine are available. Bring your favorite plane for show-and-tell. Bring your wife, family, and friends. There will be a raffle. The location map is shown below.

**Free Plane Rap Copies**

Rob Askegaard has free near new color copies of HSS Plane Rap newsletters from 2005 through 2017 that he would like to give away. Contact Rob at the monthly meetings or 714-968-1973. rmaskgrd@gmail.com.

Plane Rap Archives

Thanks to John Brown, a previous editor of Plane Rap, we have found out that four recent issues were not published, so we won't list them as missing from our Plane Rap newsletter archives. January, July, and December of 2000, and January of 2001 are non-existent. Again, if any one has any part of the issues listed below, we would love to add them to our archives (or at least a copy of what you have).

1964 through 1983: All issues missing.	1994: Nov missing.
1984: Jan through Sept and Nov missing.	1995: Aug missing.
1985: June missing.	1996: Feb, June missing
1986: May missing.	1999: Dec missing.
1987: Feb missing.	

Plane Rap issues from 1984 to present are maintained by our secretary. This is 35 years of HSS history. These archives are open to all members. Copies can be made upon request, or issues may be checked out for temporary use. If you wish to access any issues, contact our secretary as shown on the last page of this newsletter.

Thanks to Mike Costello who has scanned all available issues since 1984, and John Rittenhouse who has loaded the files on our web site, we now have on-line access to all archives.

2020 City Flying Permits Available

A permit to fly radio-controlled model aircraft is required to operate model aircraft at Fairview Park. This permit can be obtained by going to www.costmesaca.gov and downloading the file Model Airplane Fly Permit 2014.pdf. You must also show proof of adequate liability insurance in the form of a current Academy of Model Aeronautics (AMA) membership card or a current homeowners/personal liability policy specifically covering model aircraft operation with a minimum limit of \$500,000. Rules and regulations for flying the model aircraft can be found in the City of Costa Mesa Municipal Code, Title 12, Chapter II, Articles 2 & 3.

Permit Fee: A 6 month permit costs \$25 for Costa Mesa residents. \$28 for nonresidents, plus \$5 Administration fee. Learner's Permit for youths 6-14 years old - \$TBD per year.

WALK-IN Costa Mesa City Hall (77 Fair Drive, Costa Mesa 92626), 3rd Floor Recreation Counter Tuesday through Thursday from 8:00 AM – 4:30 PM (excluding City-observed holidays),

MAIL-IN Mail your renewal packet (see list below), to include full payment, to:

Recreation Division – Fly Permit

City of Costa Mesa, P. O. Box 1200, Costa Mesa, CA 92628

Renewal Packet must include **ALL** of the following:

- Permit Application (filled out and signed).
- Copy of your driver's license.
- Copy of the AMA Membership Card (showing the required year), or home owner's/personal liability insurance policy (specifically covering model airplane/aircraft flying with a minimum limit of \$500,000).
- Renewal Fee payment by Check (payable to City of Costa Mesa) or charge to Credit Card (filled out and signed).

Note: Current permit holders with email addresses on file with the City will receive renewal packet via email.

If you have questions or need additional information, please call the Recreation Division at (714) 754-5300.

Note that to fly at Fairview Park you need the above permit, liability insurance (preferably AMA), and you need to follow City of Costa Mesa Ordinance No. 07-01, City Regulations for Issuance, Suspension and Revocation of Permits to Fly at Fairview Park, Academy of Model Aeronautics Safety Code, and the Fairview Park Flying rules posted at the flying site.

Invitation To Members For Contributions To The Plane Rap Newsletter

Your editor would love to hear from club members. If there is anything you would like to share with the rest of us I would like you to send it to me. I will add it to the next newsletter. My favorite things to publish are items sent in by members!! These can be anything like reviews of your plane or equipment, links to good videos, links to articles, and things you have built or created. Bad spelling and/or grammar gladly accepted. Anything from a picture with a caption to a full blown build/review article is good. Letters-to-the-Editor are always welcome as well. Tell us what you think. Please help make the newsletter and website more interesting with your submissions. Embarrassing pictures/videos are the best. I look forward to hearing from you.

Fred Hesse - Plane Rap Editor - fhesse@socal.rr.com.

Photos of Your Planes

We are very fortunate to have Rob Askegaard as our club photographer. Rob has a high degree of talent, and supplements that with an excellent camera. His well composed and very realistic photos taken at ground level and his remarkable stop action in-flight pictures are superb. Rob's contributions are what make our newsletter really spectacular. We try to feature everyone and their planes, so if you haven't seen yourself in our newsletter, look for Rob just about any morning and pose for him. Anyone who wishes a high quality print or jpg file of their favorite plane should contact Rob, or your editor. Phone and E-mail information is shown on the last page of this newsletter.

Planes of Fame Airshow – CANCELLED.**PLANES OF FAME AIRSHOW MAY 2-3, 2020**[Become A Member](#)[Upcoming Events](#)[Shop Online](#)[Contact Us](#)**Donations For Club Raffles**

Members are invited to donate planes, radios, and all the things needed to keep them flying. These will be used for the raffles held at each monthly General Meeting. Stuff can be anything that has some value and/or can be repaired. Contact Henry Smith III with your donations. Contact info on last page of this newsletter.

Plane Rap Classified Ads and Services - For Sale

Mike Costello has a spectacular Pilot (brand), Reiher 3300 (3.3 meter, 11') glider with fiberglass fuselage, all-wood wings & tail. All-flying horizontal stab. Built in the late 1970s and was hanging in the Hobby Shack/People store since then. Needs recovering, as over the years, the MonoKote has become quite brittle and has numerous holes. There are 2 servos installed and an Airtronics adjustable towhook. I flew this model once in an HSS contest back in the day, as well as Scott Miller.

Asking price is \$300 or best offer. Contact Mike Costello, 714-875-7994, MikeFTRE@gmail.com

On the following page is a write-up published in RCM (Radio Control Modeler?) when the model was first introduced.

Editor's note: This is a beautiful model, in good structural condition.

Plane Rap Classified Ads and Services - For Sale (Continued)

RCM PRODUCT TEST

Hobby Shack
REIHER 3300

The Reiher-3300 is manufactured by Pilot, and available from Hobby Shack. The kit comes with a fiberglass fuselage, all balsa and hardwood that will be needed to build. The hardware includes everything required, including a pre-formed canopy, wing wires, control rods, clevises, etc. Opening the box is really one pleasant surprise after another. What really makes the whole thing so nice is not only the completeness of it, but the really exceptionally fine quality of the component parts. Pilot has really packaged everything beautifully, too. Outstanding quality material, and packaging. But you want to know how it goes together, looks, and flies, right? Well, Pilot and Hobby Shack haven't let you down. This is a really going concern in all departments, and the Reiher-3300 kit is, indeed, a lovely way to go.

For instance, ribs, bulkheads, canopy tray and all the other pieces that are such a chore to do, are already done - - - and sanded to the exact size and shape necessary, and sealed in their own clear plastic envelopes. You say you want more? Well, every individual rib, bulkhead, etc., is not only cut out and sanded for you, it also has a code number lightly imprinted on it! What does that do? Well, look at the plans, find the part with the imprinted number that matches what you are looking at on the plans, and there you are - - - half way home! And speaking of plans, these are very good indeed, so good, that separate instructions are not used. Conventional as well as perspective drawings assure an easy to follow blueprint for your building pleasure.

As mentioned earlier, the fuselage is fiberglass, and rates excellent in quality, finish & appearance. Color is moulded in, but if you wish, you can, of course, paint it in your own pet scheme and design.

And speaking of design, this sleek, polyhedral sailplane rates right at the top of the class when it comes to outright competition, or just fun-hunting thermals. Our only modification that would improve its' contest performance, would be the

addition of spoilers. It's a smooth, easy flyer capable of contest winning. It'll win your eye when you see it - - - we know, it won ours. ☐

HSS Sponsors

The following companies are proud sponsors of Harbor Soaring Society. They give us special offers, and make contributions to our monthly raffles. In return, please support them, and mention that you saw them advertised in the HSS Plane Rap newsletter.

AirPixel Technologies/FrSky Distributor

I just wanted to reach out on behalf of FrSky, as we are working directly with the manufacturer to do some community outreach to aviation clubs that are close to us here in Southern California, as provided by the AMA Club list. If anyone who happens to be a part of your club or organization is looking to purchase any number of **FrSky radios, receivers, gimbals, or other FrSky products**, we would love to assist in fulfilling these needs. During this outreach, we will be **lowering our prices to assist local clubs** in obtaining the necessary gear to get members flying as soon as possible. If you or anyone in your club is looking for products of this variety to assist in your RC aspirations, please do not hesitate to contact us via email or at our office phone number, which I will attach below, where we can answer questions regarding sales and warranty questions, and assist with any and all FrSky product related technical difficulties that you or your club members might run into.

Thanks so much for keeping the hobby alive and I look forward to hearing from you! -Brock
