Thanks to John Brown, a previous editor of Plane Rap, we have found out that four recent issues were not published, so we won't list them as missing from our Plane Rap newsletter archives. January, July, and December of 2000, and January of 2001 are non-existent. Again, if any one has any part of the issues listed below, we would love to add them to our archives (or at least a copy of what you have).

1964 through 1983: All issues missing.	1994: Nov missing.
1984: Jan through Sept and Nov missing.	1995: Aug missing.
1985: June missing.	1996: Feb, June missing
1986: May missing.	1999: Dec missing.

Costa Mesa Council's New Members

Extract from Sunday 11 Dec 2016 Orange County Register. By Louis Casiano Jr. Staff Writer.

This week marks change from bloc's five-year reign. A power shift on the five-member City Council will take hold Tuesday when the winners of three open seats take their places on the dais.

The re-election of Council-woman Sandra Genis and the addition of John Stephens both aligned with Councilwoman Katrina Foley will end the voting majority held by Councilman Jim Righeimer and outgoing council members Steve Mensinger and Gary Monahan. The third seat will be filled by former state Assemblyman Allan Mansoor, who served on the Costa Mesa council from 2002 to 2010. Mensinger, who was chosen as mayor last year, was denied a second four-year term after being appointed to the council in 2011. Monahan was termed out.

For more than five years, the three-man voting bloc dominated the council, focusing on outsourcing city services, leaving full-time positions vacant to cut costs, and reviewing large-scale developments, sometimes catching the ire of opponents in the process.

Invitation To Member Contributions To The Plane Rap Newsletter

Your editor would love to hear from club members. If there is anything you would like to share with the rest of us I want you to send it to me. I will add it to the next newsletter. My favorite things to publish are items sent in by members!! These can be anything like reviews of your plane or equipment, links to good videos, links to articles and things you have built or created. Bad spelling and/or grammar gladly accepted. Anything from a picture with a caption to a full blown build/review article is good. Letters-to-the-Editor are always welcome as well. Tell us what you think. Please help make the newsletter and website more interesting with your submissions. Embarrassing pics/vids are the best. I look forward to hearing from you.

Fred Hesse - Plane Rap Editor - fhesse@socal.rr.com.

Photos of Your Planes

We are very fortunate to have Rob Askegaard as our club photographer. Rob has a high degree of talent, and supplements that with an excellent camera. His well composed and very realistic photos taken at ground level and his remarkable stop action in-flight pictures are superb. Rob's contributions are what make our newsletter really spectacular. We try to feature everyone and their planes, so if you haven't seen yourself in our newsletter, look for Rob just about any morning and pose for him.

Anyone that wishes a high quality print or jpg file of their favorite plane should contact Rob, or your editor. Phone and E-mail contact information are shown on the last page of this newsletter.

Plane Rap Classified Ads and Services - For Sale

We are pleased to offer free advertising space for anyone (member or nonmember) who has items or services for sale. Details should include a description, a small photo is acceptable, asking price, and contact address/phone. Ads should be sent to HSS Editor Fred Hesse at fhesse@socal.rr.com. Items will be displayed in three issues unless a request for extension is made.
